Action by the UN and Civil Society

The UN has decided to commence negotiations on a nuclear ban treaty in 2017 and hold a High Level Conference on Nuclear Disarmament in 2018. States are obligated under the NPT to achieve nuclear disarmament.

Join us to discuss how civil society and parliamentarians can cooperate to make these UN processes a success.

Note: A UN Grounds Pass is required. Please register by Jan 17 if you do not have one.
